Message from
the desk of co-founders:

The role of the Winet community is to bring people together from all walks of life, and allow them to experience all that the internet has to offer.

We are a locally owned and managed company and we have enlisted our mission to provide an efficient and effective communications and multimedia products and services to our members; to bring Malaysia closer to realization of a fully integrated "K" economy and to play a positive developmental role in implementation of "One Home, One Internet Access" campaign.

Our **Streaming TV-P2P Platform** is jointly developed by our **P2P Team in Malaysia.**
